

TOWN HALL

The Town Hall was built in 1886 in South Flats by Timothy Horton and was funded by citizens who wanted the town hall in their part of town. The first town meeting was held in 1880 and the last in March of 1970. In between these dates the hall was used for meetings, dances, entertainments, and eighth grade graduations. The pupils from, at one time, seven schools in town came together for graduation exercises.

The south room downstairs was used as a class room and the north room as the town library. Many town meeting dinners were served in the north room. In the fall of 1953 school enrollment was large enough to necessitate using the north room for classes. In the fall of 1970 all classes moved to the new consolidated Clarendon Elementary school and town meetings were thereafter held in the Elementary school multi-purpose room.

During the following years the town hall was rented a few times, but in general it went into a state of decline. Controversy over whether to use the building for town offices, sell it or tear it down ended with selectmen appointing a citizens committee who hired an engineer to inspect the building. It was found that the town hall was structurally sound.

Plans then went ahead for renovating the downstairs by papering and painting throughout, carpeting one room, and adding a vault to the west side of the building. In the fall of 1979 the town clerk and selectmen moved into their new office quarters.

1979 CLARENDON SELECTMEN'S LETTER

1979 was a year with many important developments for Clarendon. Among these were the formation of the Clarendon Industrial and Commercial Development Committee; the utilization of the Town Hall, located in the Flats for the Town Offices; the legal developments of both the zoning and delinquent tax cases; and the hiring of the Selectmen's Administrative Assistant.

With the continued emphasis on broadening the Town's tax base, the Selectmen formed the Clarendon Industrial and Commercial Committee with its members being selected from local residents. The purpose of this committee is to appraise the Town's ability to attract desirable Industrial and Commercial taxpayers and advise the Selectmen as to the best methods to do such. The Selectmen feel that the actions of this Committee could be a significant effort to broaden industrial and commercial growth in Clarendon.

The Town's offices moved into the Town Hall, in the Flats area, on September 14. This marked the culmination of the renovation to the Town Hall over the past few years. The Selectmen feel that with the Town Offices and the Town garage in such a close proximity a more effective work environment is created.

The Town has been involved in litigation relating to changes in the portions of the zoning regulations relating to Commercial and Industrial type development for several years. At present, the correctness of the procedures utilized in making changes which were voted upon several times in the past couple of years is before the Vermont Supreme Court for review after the Town's actions were supported by the Superior Court. It is expected that the Supreme Court will rule on this question in May of this year. It is hoped that the Court's decision will provide guidance for the Selectmen in how the Town will be able to accomodate proposals for Commercial and Industrial development in the future.

An audit of the records of the former collector of delinquent taxes identified irregularities involving the handling of significant amounts of the Town's tax receipts. The Town has been reimbursed by its insurance company for most of the unaccounted for funds and it is expected that pending Court action will allow the Town to recover the remainder of the funds which the audit has indicated were not properly turned over to the Town.

Mr. Robert Borchers was hired as Administrative Assistant in April after interviewing a number of applicants for the position. In September, Mr. Borchers resigned to take a position with Vermont Law School, and the Selectmen again advertised for applicants to fill this position. Mrs. Aleta Holden was selected in December and has aided the Selectmen in their day-to-day operations. We feel that the Administrative Assistant has been effective in helping the Selectmen in some of the necessary matters that must be attended to regularly.

As of January 1, 1980, Carl Lanfear has officially retired from his position as Road Foreman. Even though he is working with the road crew until the Town Meeting, his retirement makes the final stages of a 27 year career with the Town of Clarendon. The Selectmen feel that we can speak for all those who know and have worked with Carl, to wish him and his wife, Gladys, the best.

VERMONT DEPARTMENT OF HEALTH

Annual Report to the Citizens of Clarendon

The established mission of the State Health Department is to protect and promote the health of all Vermonters. In working towards this goal, the Vermont Department of Health has provided directly, or assured the provision of, preventive health services to communities across the state. During 1979, the following services were received by the residents of Clarendon:

246 elementary school children were examined by a dental hygienist and received personal oral hygiene instruction twice during the school year.

Your elementary school participated in the weekly fluoride rinse program.

15 persons received services through the Maternal and Child Health Program.

14 Comprehensive health assessments including preventive health guidance were provided at Well Child Conferences.

156 persons received nutrition education and food supplements through the Special Supplemental Food Program for Women, Infants, and Children (WIC).

17 children underwent medical evaluation and treatment through the Early Periodic Screening, Diagnosis, and Treatment Program (EPSDT).

23 women were examined for cervical and breast cancer through the Cervical Cancer Screening Program.

Through the Handicapped Children Program, diagnosis and treatment services for orthopedic, hearing, cardiac, and other conditions were provided to 12 children.

Through the Child Development Clinic, 5 children received diagnostic and intensive follow-up services for suspected physical and/or mental retardation.

29 immunizations were given in Health Department Clinics.

11 persons received chest x-rays for early detection of lung disease through the Barre, Rutland, or other Health Department chest clinics.

The following services were provided by the Health Department laboratory in Burlington:

34 blood test to identify women needing immunization against german measles (rubella) to prevent birth defects,

79 other diagnostic blood tests,

26 bacteriological and viral cultures,

100 tests of individual and municipal water systems to monitor drinking water quality.

The Occupational Health Division Conducted Asbestos inspections at Clarendon Elementary School.

Statewide, 247 emergency medical technicians were trained, 344 were recertified and 61 received advanced training; 188, 323 doses of vaccine were supplied to private physicians, school nurses, and other health providers; 17 hospitals and 46 nursing homes were inspected and licensed; 1,880 restaurants were inspected; 4,432 venereal disease office visits and/or treatments were paid for and 745 contacts were traced; material to test 48,770 persons for tuberculosis was distributed to private physicians, public clinics, and schools; 21 x-ray machines were inspected; treatment for 20,144 children was approved and paid for in total or in part by the Tooth Fairy and Denticaid programs; and, in conjunction with Planned Parenthood, 13,380 persons received contraceptive counselling and service.

Technical assistance was provided through the office of Local Health Services to your Town Health Officer, Edward B. Fuller.

Your Town Clerk, MaeBelle Byrne, received support and instruction in the handling of vital records from the division of Public Health Statistics.

Your participation in these programs is encouraged. Information about all Health Department services may be obtained by calling our toll free number, 1-800-642-5045, or your local district office in Rutland. The local office telephone number is 773-2411.

Lloyd F. Novick, M.D.
Commissioner of Health

During our 16th year we have found that an era of wood burning stoves is definitely with us again. Although our chimney fires have been at a minimum please keep in mind that your chimney needs your closest supervision and that it can always be a potential danger.

We have put into use this year a Dodge Power Wagon at the Airport. This vehicle has a water supply, portable pump and necessary hose for Forest Fire work or auxiliary pumping at residential fires. This was done for a total cost of \$3,600.00.

During 1979 we also repaired rust and painted our 1200 gallon tank truck in North Clarendon. Our hose tower was completed and is working fine. Probably the biggest achievement was the rating of our town by the insurance underwriters giving us a reduction in our insurance rates. These reduced rates apply to everyone within three miles of the North Clarendon Station, Chippenhook Station or the Airport Station. We feel our stations have been strategically located so as to have nearly everyone within this three mile radius of at least one of the stations.

Also during the past year we erected a memorial and flag pole at the North Clarendon Station in memory of our past Firemen and Auxiliary. A tribute such as this seems very fitting at this time to our past members who contributed so much to our department during its trial 16 years of operation.

Financially we ran in the black with an income of \$24,043.62 and expenses of \$20,532.56. The Townspeople must remember that out of the \$24,043.62 all but \$5,000.00 was raised by department members. We are very pleased to be a financially sound organization with a leadership capability that would be hard to surpass. Our Members, Officers, and Board of Trustees are to be greatly commended. We now have a financial worth in excess of \$85,000.00, have a membership of 60 men, have 6 fire trucks, three stations, radio communications system, all equipment for 45 men, are rated by the board of Insurance Underwriters, and have a very active Ladies Auxiliary.

In 1979 we received 32 calls -

House	4	Barn	3
Car fires	2	Mobile Home	1
Grass & Brush	10	Car Accidents	3
Chimney	5	Business	4

Out of these 32 calls

- 7 - were out of town mutual aid
- 2 - were in town mutual aid
- 1 - false alarm

The firemen put in 847 hours fighting fires

The equipment put in 126 hours fighting fires

Our future plans are a pager communication system for the firemen. This will work in conjunction with our present radio system. This system will be in effect tentatively by April 1. The cost will be approximately \$10,500.00 and will consist of 30 pagers and other necessary equipment.

In closing we would like to again say thanks to everyone who has helped us in any way and also to those who will be our supporters in the future.

Respectfully Submitted:

Alan Ridlon, Chief

Stuart Blacklock, President

FIRE WARDEN REPORT

The past years have proved that people take the Fire Warden's job as an important function of our local and State government. I work very close with the Fire Dept. and realize that because of this a great many of what could be serious fires are put under control with a minimum of property damage.

Last year I purchased eight new stainless steel pack pumps for the town and again this year it is necessary to replace a few more. We are also in need of fire rakes and axes. The State of Vermont re-imburse the town with matching funds up to \$50.00 a year for replacement tools and I feel that when the Warden supplies are up to standard we will then ask for only enough money each year to capitalize on these matching funds.

In closing I would like to thank everyone for their cooperation in the past year and look forward to your continued support this year.

Respectfully submitted:

Alan G. Ridlon, Fire Warden

CLARENDON FIRE ASSOCIATION AUXILIARY

The Clarendon Fire Association Auxiliary had a successful 1979. We had 27 members for the year. Twenty members of the Clarendon Auxiliary were also members of the Vermont State Firefighters Ladies Auxiliary. Our meetings are held at 7:30 P.M. on the second Monday of each month at the village firehouse. We welcome new members and guests.

Many of our members attended the 23rd Annual Ladies State Fire Convention held in conjunction with the Firemen's 90th Annual Fire Convention. The convention was held in South Burlington in August. Our auxiliary received a trophy for Most-In-Line at the Firemen's parade and also a trophy for Most-In-Attendance at State Meetings for the 1979 year.

Projects for 1979 included two tasting suppers, a basketball game (Clarendon vs Rutland Town), refreshments and rummage sale at the annual auction, weekly, summer Flea Markets at Swards, sales, and service, a food sale, participation at the Town Field Day, and several dinners for various organizations. We also participated in the Loyalty Day parade in May. Weekly Bingo is held at the Elementary School on Thursday with the auxiliary serving refreshments.

The Clarendon Fire Association Auxiliary wishes to thank the many town residents whose support and cooperation made our 1979 projects a success.

TOWN REPORT

Clarendon Industrial and Commercial Development Committee

In August of 1979, the Selectmen formed the Clarendon Industrial and Commercial Development Committee. One of the Purposes of the committee is to pursue ways in which the Town of Clarendon could attract selected industry for purposes of broadening the town's tax base.

The tax burden on Clarendon residents is very high, and even the increases in the cost of local government and education can be kept to a minimum in the future, any increase will have a significant effect on residential property taxes. The following points should be emphasized:

1. Clarendon has a lower industrial and commercial tax base, and therefore, a higher residential tax base than most other communities in Vermont.
2. Only seven other communities in the state have a residential tax burden equal to or higher than that of Clarendon.

3. Only one other community in Rutland County has an effective tax rate which is higher than that of Clarendon.

It is the opinion of the committee that the town must begin work immediately on a development program. The taxpayers' recent decision to eliminate the inventory tax has already begun to create a healthy business image within the town. At this time, the Committee would like to make the following recommendations as initial steps that can be taken to further develop the industrial and commercial growth of the town:

1. It is recommended that the taxpayers grant the Board of Selectmen the authority to enter into tax stabilization agreements. These agreements should be within fairly restrictive guidelines because it is felt that an industry will pay its fair share of taxes if the agreement is prepared properly. It is felt that a tax stabilization program would give Clarendon a competitive edge when dealing with a prospective industry.

2. It is recommended that the Selectmen include in their administrative budget an amount of \$5,000 for the purpose of promoting industrial and commercial development in the town. This amount would be used for planning, promotion, preliminary engineering, legal and other related costs.

3. It is recommended that the warning for the 1980 town meeting ask for an expression of voter support for the creation of a non-profit development corporation comprised of town residents and Selectmen. The purpose of such a corporation would be to work with Rutland Industrial Development Corporation, Vermont Industrial Development Authority (VIDA), Vermont Agency of Development and Community Affairs and private firms to encourage and promote sound economic development in the town. The creation of a local development corporation would provide the town with a "vehicle" for requesting loans from VIDA since towns are not eligible to do so.

We would ask the taxpayers of Clarendon to look favorably on our recommendations and to support our efforts. The development of industry growth in the town is going to be a longterm project. The longer we wait to implement a development program, however, the longer we will have to wait to see results.

The committee therefore, requests your support and welcomes any assistance you will be able to give us.

Sincerely,

Colombe Colvin
Tom O'Brien
Carl Spangler
Earle Thompson

PLAN AHEAD

THE CLASSIC SIGN

An illustration of the Frustration and Disorder that results from lack of foresight

During the previous year the Planning Commission established Flood Plain Regulations with the help of the Rutland Regional Planning Commission and the HUD Office in Boston. After two public hearings this was adopted by the Selectmen in August and is to be voted at the **March 1980 Town Meeting**. This is the step necessary to make sure low-cost, federally subsidized flood insurance will be available to owners of structures in areas prone to flooding. The Commission urges a "Yes" vote.

In March Edna Ignalls became our (Zoning) Administrative Officer. Doris Donahue and MaeBelle Byrne were appointed to the Commission. Alan Ridlon joined the Commission in June. Mrs. Donahue resigned in the latter part of the year.

The Commission recommended to the Selectmen the creation of a Commercial-Industrial Committee which was established in the fall. The Recreation Committee lost Karen Abare as it's Chairman, a most enthusiastic member. Currently Sue Schwaiger, Don Phillips, Art Peterson and Sam Coburn are working hard to formulate activities.

Business growth included: Carrara & Sons expanded their existing office space and improved the appearance and operation of their "yard"; Baker Brothers are expanding their space; Ralph Loomis expanded his business on the Walker Mt. Road; Dan Turco & Sons relocated their business in North Clarendon; Wayne Jones relocated his autobody shop on Old Rt. 7; James Tiraboshi established "home-base" for a rodeo business in Chippenhook; John Russell made application to build a retail sales building on the "Coca-Cola" site. Adverse growth was the junkyard on Rt. 103 which, at the writing of this report, we understand is being cleaned out.

In addition: VELCO is to run new lines across the Town to West Rutland and establish a substation on the Cold River Road; CVPS is to run a new line to serve the expanded G.E. plant; Giancola is subdividing property on the North Shrewsbury Road into one-plus acre parcels for single family residences. A busy year!

MaeBelle Byrne, Chairman
Fritz Harlow, Bob Bixby,
Alan Ridlon, Betty Wehse

During 1979 there were 85 building applications received. The following permits were issued: 17 new homes, 9 mobile homes, 10 residential garages, 11 additions, 9 storage buildings, 6 decks, and 8 miscellaneous buildings. There was one new business, a garage-body shop, A rodeo enterprise, was started. In other business, permits were issued for an aeroplane hanger, a beverage warehouse, a cement batch plant, 2 office additions and a lumber storage shed.

BENNINGTON - RUTLAND OPPORTUNITY COUNCIL, INC.
Community Action Agency For Southwestern Vermont

OFFICE

10 EVELYN STREET
 RUTLAND, VERMONT 05701

The Bennington-Rutland Opportunity Council is the Community Action Agency which is trying to offer an alternative to poverty in Southwestern Vermont. Our Outreach staff goes out into all the communities and tries to help poor and elderly people discover and take advantage of all the programs for which they are eligible. Our Food and Nutrition program uses community gardens, nutrition education and emergency food programs to show people that they can take care of their own nutritional needs. Our Energy program helps people weather the on-going crisis by supplying fuel loans and grants and weatherizing clients' homes.

In Clarendon, during the past year, we provided more than 219 direct services. We helped 2 families through our Community Gardens program. We provided 0 families with help with emergency food, food vouchers, our food shelf or in purchasing ATP cards. We provided or installed weatherization in 4 clients' homes. We helped families get through the energy crisis with State or Federal fuel monies on 21 occasions. We provided 0 families with chore service. We helped 3 families prepare their taxes. We provided emergency transportation on 22 different occasions. We provided counseling or information on Cooking, WIC, Housing, Personal Needs, Forms & Other Agencies operations on 162 occasions. We served 3 children thru a Summer Recreation program. We assisted 2 persons in obtaining Job Start Loans.

The Bennington-Rutland Opportunity Council needs local funds. We would appreciate your town's support of our continued operation with \$200.00.

We would appreciate any efforts you could make to facilitate our receiving funds this year. Please call me if I can supply you with any additional information.

Sincerely,

Veda B. Agone

To the Residents of Clarendon:

Within the past four years, A.I.R.C. has brought alcohol treatment service to 34 citizens of Clarendon. This represents 162 times people have been helped in your community. These services included counseling in the home, crisis calls, transport to emergency and other services for alcohol wounded people in Clarendon. This year we are calling upon you to help us to continue this service in your community. Our request to appear on your town budget is for \$230.00

We have learned from both clients and town authorities, that it is important that we keep our services going in the County. We do this by having two of our counselors spending most of their time working in the County. We have treatment outposts set up in Brandon, Fair Haven, Poultney, Castleton and West Rutland. It is this service and availability we hope to maintain. As the principal of a union high school points out: "I appreciated the speed with which you were able to respond to my call for help."

**LISTER REPORT
on
REAL APPRAISAL**

Beginning in 1978, the listers gathered information from Real Estate sales in Clarendon and its neighboring towns. The information acquired showed what Fair Market Value of property in this town was at that time. During the past year this information was used in an update of property values as required by state statute Title 32 Section 4041.

Approximately 2,000 hours work was required to make property visits, do the in office clerical work, hold grievance hearings and turn out the actual Grand List Book.

The listers also worked with the Town Clerk to computerize the Grand List Book as a first step in cutting the cost of publishing the lists and tax bills to the taxpayers.

Funding:

Funds for the UVM Extension Service come from three sources:
Federal - 42.3%; State - 49.2%; Towns - 8.5%

Town funding is based on the town Grand List as compared to the country Grand List. State statutes are the base for town contributions.

Extension Service programs are available to everyone regardless of race, color, national origin, sex, or religion. For more detailed information call or write UVM Extension Service or contact a member of the Extension Service Advisory Board. As a resident of Rutland County, Extension Service information is available to you.

CEMETARY COMMISSION REPORT

We were very fortunate this year and kept all the cemeteries mowed. A great deal of time was spent on the Chippenhook Cemetary. Hopefully it will not be as difficult to keep it mowed next year.

The Spafford Cemetary continues to be a trouble spot even though we have tried to correct it.

I think everyone should be commended for the fine work that has been done this year. Many thanks to all that have helped.

III SUPERINTENDENT'S REPORT

A. Enrollment

During the school year ending June 30, 1979 there were 228 pupils enrolled in the elementary school. During the present school year there are 269 pupils enrolled, as illustrated by the table above. This is an increase of approximately 40 students or 17.5% over last year. This has resulted in the hiring of one additional teacher. We now have two classes and two teachers at each grade level.

B. Personnel

It is a pleasure to report that we have a very stable teaching staff which is performing very well under the leadership of our Principal, John Kaldy. New assignments this year are: Patricia Quennevill at Grade 1 for Neva Pratico who is on leave; Carolyn Churchill at grade 3; Richard Wyman to grade 6 from grade 3; Gretchen Auer for instrumental music.

C. Curriculum

A number of curriculum changes have taken place during the past year. We completed a study of our English Language Arts Program and this resulted in the selection and revision of materials. New handwriting materials are being used at the primary grades and we have plans to extend these up into the higher grades. We are presently involved in a review and revision of our Science Program and we hope to have this completed by June. The most important aspect of our instructional program continues to be the excellent job our teachers are doing and their sincere interest in children.

D. Budget Analysis

There is a complete outline of the full budget in the Financial Statements. The proposed budget for the 1980-81 school year is \$397,050.00. This is an increase of \$29,809.00 or 8.1% over the present year. The major increases are as follows: Instruction \$22,325.00; Special Education \$2,865.00; Building \$3,769.00; Transportation \$3,450.00. Because our projected end of the year balance will decrease from \$50,000.00 to \$28,000.00 and because other revenue is not increasing as rapidly as our expenditures, it will be necessary to raise \$38,829.00 by taxes. The other major source of revenue is General State Aid, estimated at \$307,000.00. The final figure here will depend upon the amount appropriated by the legislature, as in years past.

WARNING FOR SPECIAL MEETING OF THE TOWN OF CLARENDON

The legal voters of the Town of Clarendon are hereby notified and warned to meet at 7:30 o'clock in the afternoon on Monday the 29th day of January, 1979 at 7:30 P.M. in the Town of Clarendon, there to hold a special meeting to discuss the proposed amendments to the Clarendon zoning regulations hereinafter specified, and then adjourn to meet again on Tuesday the 30th day of January, 1979 at Clarendon elementary School between the hours of 10:00 A.M. and 7:00 P.M. to vote by Australian ballot upon the following articles:

Article 1. Amend 119, 160, 161, 165, 185 and 280 of the Clarendon Zoning regulations by substituting the words "board of adjustment" in place of the words "planning commission," and amend 310 by substituting the words "chapter 117" in place of the words "chapter 91."

Article 2. Amend 210 of the Clarendon zoning regulations, by adding thereto: "C-I COMMERCIAL-INDUSTRIAL."

Article 3 Amend 225 of the Clarendon zoning regulations, by adding thereto: "Whenever a permit is issued for use under 421 Commercial And Residential, the administrative officer shall provide a copy of the permit to the abutting property owners, as their names and addresses appear in the Clarendon grand list book, by regular mail within 24 hours of the date of issue. However, failure to provide such copy will not invalidate the permit."

Article 4. Amend the title of 255 of the Clarendon zoning regulations, by substituting the words "Referral To State Agencies" in place of the words "Planned Residential Development."

Article 5. Amend 421 of the Clarendon zoning regulations, by deleting the present language after the title of such section and substituting in its place the following language:

"Uses permitted:

- (a) Residential, as permitted in Residential R district.
- (b) Commercial. All usage excluding manufacturing.
- (c) Agricultural, as permitted in Agricultural And Rural Residential A-R district.

Exceptions. The following are not permitted in the Commercial And Residential district:

- (a) Rendering plant.
- (b) Automobile graveyard.
- (c) Junkyard."

Article 6. Amend the Clarendon zoning regulations by adding the following new section thereto:

"423. BOARD OF ADJUSTMENT APPROVAL.

Upon application to the board of adjustment, the board of adjustment may approve uses in the Commercial and Residential and Commercial-Industrial districts, other than those specifically permitted therein, subject to the procedures applicable to conditional use approval set forth in 24 V.S.A. 4407 (2)."

Article 7. Amend the Clarendon Zoning regulations by adding a new section thereto, to read:

"422. COMMERCIAL-INDUSTRIAL

Intent and purpose. To reserve suitable areas for the location and/or expansion of industrial and commercial development; to encourage orderly growth and employment opportunities; to designate specific areas which, because of their proximity to transportation facilities, topography, subsoil and accessibility, are better suited than the more remote, hilly or inaccessible areas for this development; and to provide the town with a more appropriate economic balance.

Uses permitted. Commercial and industrial uses including, but not limited to:

- (a) Manufacturing and/or processing and/or assembly.
- (b) Warehouse storage and/or distribution of goods, services and material.
- (c) Research facilities.
- (d) Residential and agricultural uses in conformance with minimum standards under residential uses of these regulations.
- (f) Commercial or industrial services.
- (g) Retail and/or wholesale operations.
- (h) Agricultural.

Exceptions: The following uses are not permitted in this district:

- (a) Rendering plant.
- (b) Automobile graveyard.
- (c) Junkyard.

Lot requirements. The lot shall comply with the following criteria:

- (a) Lot area - 43,560 square feet (1 acre) minimum.
- (b) Lot width - 125 feet minimum.
- (c) Front yard - 40 feet from edge of road right of way minimum.
- (d) Side yard - 20 feet each side minimum.
- (e) Rear yard - 30 feet minimum.
- (f) Building height - a maximum of three stories or 35 feet whichever is less.
- (g) Building area - unspecified.

Boundaries of district:

- (a) Air Park. The land of the state of Vermont at the Rutland State Airport. Access to this area shall be restricted to approved access from Route 7B only.

(b) Route 7B. The land contained within the boundaries starting at the intersection of Route 7 and Route 7B south of the village of North Clarendon, thence proceeding due east to the Green Mountain Railroad tracks, thence proceeding in a southeasterly direction along the western boundary of the railroad right-of-way to the intersection of the railroad tracks and East Road (town highway no. 8), thence proceeding in a straight line in a westerly direction to the intersection of Route 7B and Route 103, thence proceeding in a westerly direction along the north side of Route 103 to the intersection of Route 7 and Route 103, and thence proceeding in a northerly direction along the easterly side of Route 7 to the intersection of Route 7 and route 7B being the place of beginning.

Access to this area shall be restricted to approved access from Route 7B only.

(c) Pierce's Corner. The land contained within the boundaries starting at the intersection of Route 7 and Route 103 thence proceeding in a northerly direction a distance of 2000 feet along the west side of Route 7 to a point, thence proceeding due west a distance of 1000 feet to a point, thence proceeding southerly a distance of 3000 feet to a point, thence proceeding easterly to the west side of Route 7, and thence proceeding easterly to the west side of Route 7, and thence proceeding along the west side of Route 7 to the intersection of Route 7 and Route 103 being the place of beginning.

Access to this area shall be Route 7 by the way of town road 19.

(d) Northeast Area. The land contained within the boundaries starting at the intersection of Route 7 and the North Shrewsbury Road and thence proceeding easterly along the north line of the North Shrewsbury Road to the Cold River Road, thence proceeding northerly along the west line of the Cold River Road to the Clarendon town line, thence proceeding westerly along the Clarendon town line to Route 7, and thence proceeding southerly along the east line of Route 7 to the place of beginning.

(e) Southeast Area. The land contained within the boundaries starting at the intersection of Route 103 and Route 7B and thence proceeding southerly along the east side of Route 7B to the property of the state of Vermont, thence proceeding easterly along the property of the state of Vermont and thence northerly along the property of the state of Vermont being the westerly side of the Rutland State Airport, thence proceeding easterly along the north side of the Rutland State Airport and a straight line to the Airport Road, thence proceeding northerly along the west side of the Airport Road to Route 103, and thence proceeding westerly along the south side of Route 103 to the place of beginning."

Dated at the Town of Clarendon this 27th day of November, 1978

SPECIAL TOWN MEETING, JANUARY 29, 30, 1979

SPECIAL TOWN MEETING was called to order by Moderator, Mr. Weeks, at 7:40 P.M. at the Clarendon Elementary School. Mr. Weeks started to read the Warning. After Article I Mr. Weeks asked that, if there were no objections, the Meeting could act on each Article as it was read. Mr. Kinne objected. The entire Warning was read.

Mr. Weeks then called attention to the fact that in the heading of the Warning no place was specified for this meeting. The time "7:30" was written twice, but the Clarendon Elementary School was not specifically named.

Mr. Lynch questioned Mr. Weeks as to when he had noticed such discrepancy, and why he had not called attention to the error before this evening's meeting, since the Warning had been printed twice in the newspaper. Mr. Weeks said that he was not aware of the error until this evening.

Article I was read again. Mr. Weeks then read a prepared statement:

"A vote was taken on the proposal contained in Article I, at a special town meeting held on May 23, 1978. VSA T 17, 266lc requires that a vote taken at an annual or a special meeting shall remain in effect until rescinded. Article I, therefore, presents a question of order. VSA T 17, 1658 requires the moderator decide questions of order. The decision is that the motion under Article I is out of order, because no main motion is in order which conflicts with state law. This being a serious question in a strongly contested situation, the moderator would welcome an appeal from this decision so that the final responsibility is with the voters themselves." (This statement is attached to and made a part of these minutes.)

There was a great deal of discussion concerning this statement. Bob Neil made a motion to appeal the ruling of the moderator and request a vote be taken. This was seconded by Barry Bradley. Mr. Kalakowski requested a paper ballot and asked about procedure. Mr. Weeks explained that seven (7) voters must request a paper ballot.

There was lengthy discussion again concerning Mr. Weeks' statement. Mr. Weeks called for the vote. Nine voters were counted in favor of the paper ballot. Mr. Cuttitta asked Mr. Kalakowski, that, for the sake of speeding up matters, was he going to insist on this paper ballot. Mr. Kalakowski withdrew the request. Elizabeth Strom-Olson and Richard Bersaw were named tellers. A vote "Yes", was to sustain the ruling of the Moderator: 11 votes; a vote "NO", was to over-rule the Moderator: 25 votes.

Article I could now be discussed. Mr. Kalakowski asked of Selectman Russ Carleton that he please explain Section 161 and 185 and reconcile changes with state statute. Mr. Carlton and Mrs. Wehse answered that these were corrections made with recommendations from Mr. Mitchell's office concerning the original zoning regulations.

Article II was read. Mr. Weeks suggested someone make a motion to suspend the rules so the motion to over-rule the moderator in Article I would apply to all other articles.

Mr. Ferrari made the motion to suspend rules and procedure regarding order, as for Article I, to apply to the other articles. This was seconded by Barry Bradley. Mr. Weeks called for discussion and stated that such vote requires a two-thirds majority. The "Yes" vote, in favor of suspending the rules, was unanimous. There was no discussion on Article II.

Article III was read. Mr. Kalakowski asked Selectman Kinne to explain. Mr. Kinne said that there is no provision in the state statutes requiring the administrative officer to do this. After listening to testimony during the hearings the Planning Commission and Selectmen elected to add this provision as a courtesy.

Article IV was read. There was no discussion.

Article V was read. Mr. Manukka stated that he did not believe all types of commercial business, except manufacturing, should be allowed in this district.

Article VI was read. There was no discussion.

Article VII. Mr. Weeks asked that if there was no objection he would not read said article in its entirety. There was no objection. Mr. Enman asked Mr. Kinne the status of the airport area, since there had been an article in the Herald and the possible extension of sewer and water had been discussed. Mr. Kinne explained about the master plan, VELCO's interest in building there, and the City of Rutland's part in the process.

The meeting was adjourned at 9:18 P.M. to meet again on Tuesday, January 30, 1979, at the Clarendon Elementary School, from 10:00 A.M. to 7:00 P.M., to vote by Australian Ballot.

Respectfully submitted,
Clerk for the Hearing

SPECIAL TOWN MEETING JANUARY 30, 1979

Minutes of town meeting January 30, 1979; People appointed and were as had been authorized by the B.O.C.A. Polls opened at 10:00 P.M. by office of the day, William Weeks and continued to be opened for the voting of articles by Australian Ballot until the hour of 7:00 P.M. at which time the offices of the day declared the polls closed, and did designate a specific area for the counting of the ballots.

Mr. Weeks, next requested of the town clerk to be aware of the fact that there had been a challenge by a party as to an unauthorized person removed in the designated county area. Officers of day then informed the town clerk that he would like to have a meeting with the B.O.C.A. if there were a

quorum of such present. He justified his request by quoting chapt. vs vsa. 17 chapter 51 sec. 2451 and although the town clerk did not agree she did call a meeting of the B.O.C.A... There were 5 members of the B.O.C.A. present. Mr. Cook chaired the meeting and asked Mr. Weeks to please make his request known to the members of the board present. Mr. Weeks responded by referring to vsa. 17 sec. 252 of chapter 51 and sec. 2451 of chapter 51. He requested the B.O.C.A. for an answer. The Board responded by making and carrying a motion. Mr. Cook made a motion that the B.O.C.A. designate the presiding officer to supervise the counting and telling of the ballots. Irene Hill seconded the motion. All 5 members responded with an "aye" and motion was carried. That portion of the meeting was closed. And then the town clerk registered a protest with the chairman, Girard Cook. That vsa 17 chap. 51 did not apply to local meetings, because statutes regarding local meetings were under vsa. 17 chap. 55. Officer of the day Weeks then appointed Girard Cook to assist him with the counting process. Results were announced and meeting was adjourned.

ANNUAL TOWN MEETING

Monday March 5, 1979 7:30 P.M. Clarendon Elementary School

Moderator Weeks opened the meeting and read the warning.

ARTICLE 1. To act on Town Officers' reports.

The motion was made and seconded to accept the Town Officers' reports. This was carried.

ARTICLE 2. To see if the Town will pay taxes to the Treasurer.

The motion was made and seconded to pay taxes to the Treasurer. The motion was carried.

ARTICLE 3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

The motion was made and seconded to accept the motion as read. This motion was carried.

ARTICLE 4. to see if the Town will authorize the Selectmen to acquire by gift or purchase, land for a municipal forest to promote reforestation, water conservation and good forestry practices.

The motion was made to so authorize the Selectmen. It was then seconded and carried.

ARTICLE 5. To conduct any other lawful business.

The motion was made to authorize the Selectmen to borrow money in anticipation of taxes and reinvest in interest bearing accounts to eliminate the interest charges. This was seconded and carried.

ARTICLE 5A. The motion was made to have the papers served on the Town on March 1, 1979, read. This was seconded and carried. Mr. Kinne read the summons concerning the legality of the Special Town Meeting on January 29, 30, 1979, concerning the zoning vote, (action of summons will be on file at the Town Clerk's Office), which took 25 minutes to read.

ARTICLE 5B. The question was asked if the audit had been completed. John Sullivan, C.P.A., answered question regarding the audit. Paul Shedd spoke regarding Flood money not yet received, but is forthcoming as all State and Federal audits have been completed.

ARTICLE 5C. Mr. Kinne read a letter from Castleton College concerning the "Johnson Cobble". The motion was then made to table the matter until the end of the meeting, after all other articles had been discussed. This was seconded and carried.

ARTICLE 6. To elect all necessary officers (Australian Ballot). The names of all candidates running for offices were read.

ARTICLES 7 through 24. The warning was read article by article and discussion was held on each article.

The meeting then returned to the discussion of Article 5C, the Johnson Cobble which is approximately 30 acres. The motion was made to turn the Johnson Cobble over to Castleton College. The motion was then withdrawn and a new motion made to instruct the Selectmen to inquire into the possibility of obtaining the ownership of the property and getting Castleton College to manage it. This was seconded but the motion was defeated. Another motion was then made that the Board of Selectmen be authorized to support what Laura Johnson wishes to do with the property known as the "Johnson Cobble".

Further discussion was then held on the possibility of five Selectmen and any alternative that might be considered. The study of a Town Manager was never completed but the Selectmen had been thinking along the lines of a part-time Administrative Assistant.

The meeting was then adjourned until 10:00 A.M. Tuesday morning, March 6, 1979.

SPECIAL TOWN MEETING

July 9, 1979

7:30 P.M.

Clarendon Elementary School

Frederick DeG. Harlow, Moderator
Selectmen all present

The meeting was opened at 7:30 P.M. by Moderator Harlow who read the warning for the Special Town Meeting as it appeared in the Rutland Herald on (See attached copy of warning and ordinance).

There was discussion held on the question of what motivated the Selectmen to adopt the ordinance. Mr. Weeks pointed out that 24 V.S.A. Sect. 2291 and 23 V.S.A. Sect. 1008 had a particular meaning. A great deal of the discussion concerned the time the Ordinance would be in effect. Comments were that 9 P.M. was too early.

Mr. Weeks requested the Selectmen on a point of information. He asked if they had the power to rescind the ordinance they adopted on April 23, 1979. Mr. Cook answered that to his knowledge they could not. Mr. Weeks then asked if they would please find out for usre. Mr. Cook answered that they would.

A comment was made by Mae Belle Byrne that she did not belive that the Town Clerk should collect the fine money as specified in the ordinance. There was discussion on this point.

Mrs. Byrne then made the motion to adjourn until 10:00 A.M. Tuesday, July 10, 1979. This was seconded and voted.

SPECIAL TOWN MEETING

July 9, 1979

A Special Town Meeting, Warned and held at the Clarendon Elementary School, was brought to order by moderator Harlow at 7:30 P.M. Moderator Harlow then proceeded to read the warning as it was advertising in the Rutland Herald.

Moderator invited response from the floor on any questions they might have. A discussion followed regarding the hours specified in the Parking Ordinance. Most were in agreement that the 9 P.M. as the time was too early in the evening for a great many who might be holding meetings.

Mr. Weeks, on an informational point of order, requested that the selectmen had the power ot rescind the Ordinance they adopted April 23, 1979.

Mr. Cook (Selectman) replied that to his knowledge we cannot.

Mr. Weeks then asked if the selectmen would please find out for sure.

Mr. Cook agreed that they (the Selectmen) would do that.

Town Clerk, Mae Belle Byrne, questioned that section of the ordinance that specified the collection of fines to be done by the Town Clerk. Mrs. Byrne informed selectmen that she was very much opposed to that section.

Discussion followed, some in agreement with the Town Clerk.

No further discussion. Motion was made and seconded to adjourn until 10:00 A.M. Tuesday for the balloting.

Annual Meeting Minutes

The annual meeting of the Union School District #40 was held Wednesday, February 21, 1979, at the Mill River Union High School at 8:04 P.M. The meeting was called to order by Randle Kinne, Moderator.

ARTICLE I

Gary Cuttitta nominated Randle Kinne to serve as Moderator. Charles Ketchem seconded. Leonard Korzun moved the nominations be closed and the Clerk to cast one ballot. Seconded and passed by voice vote.

ARTICLE II

Mae Belle Burne nominated Betty Wehse to serve as Clerk. Barbara O'Brien seconded. Charles Ketchem moved the nominations be closed and the Clerk to cast one ballot. Seconded and passed by voice vote.

ARTICLE III

Jan Snelling nominated Bill Bingham to serve as Treasurer. Paul Shedd seconded. Leonard Korzun moved the nominations be closed and the Clerk cast one ballot. Seconded by Ed Fuller, passed by voice vote.

ARTICLE VI

Kay Neil nominated John Sloan to serve as Auditor for three years. Mae Belle Byrne seconded. Leonard Korzun moved the nominations be closed and the Clerk cast one ballot. Ed Fuller seconded. Passed by voice vote.

ARTICLE V

Anita Carleton moved that salaries remain the same: \$300 each Director; \$275 for Treasurer; \$25 for Clerk. Motion seconded by Maxwell Carleton. Carried by voice vote.

ARTICLE VI

Leland Congdon moved to appropriate the sum of \$912,689.00 which shall be assessed to member districts for the support of the Union School District. Motion seconded by Irving Smith. Mr. Burnham lead a review and discussion of the budget. Bill Dolt asked for a motion recommending someone other than a school board member make the motion. The Moderator explained there was nothing wrong with a board member making said motion, therefore it would be up to the board member to withdraw his motion. Mr. Congdon willingly withdrew his motion. Charles Wade made said Motion. Diana Pratt seconded. William Weeks requested a paper ballot. Such request takes priority over motion on the floor. Twelve people rose for said request. (Seven are necessary). Ballot clerks for each town and ballots cast:

Clarendon	B. O'Brien	
	C. Ketcham	46
Shrewsbury	N. Snelling	
	C. Wade	13
Wallingford	J. Marquis	
	J. Coffin	24
	Total	83

The Vote:

YES, in support of	
Article VI	54
NO, against Article VI	29
Total	83

ARTICLE VII

Leonard Korzun moved to authorize the School Directors to borrow money pending the receipt of payment from member districts as provided in Title 16, V.S.A. Section 711 by the issuance of notes or orders payable not later than one year from the date, for the purpose of paying its expenses as authorized under Article VI. The notion seconded by Shirley Bruso and passed by voice vote.

ARTICLE VIII

Charles Wade moved to appropriate the sum of \$15,000.00 to be assessed to member districts and placed in a sinking fund to be used in the purchase of school buses. Seconded by Carroll Adam. Carried by voice vote.

ARTICLE IX

Bill Bingham moved to accept the report of the district officers and directors. Mae Belle Byrne seconded. Carried by voice vote.

ARTICLE X

Charles Wade asked for an explanation. Henry Burnham said the state statutes allow the directors the authority to permit use of buildings and buses for specific purposes. The question had arisen whether the directors could do this without a vote of approval from the voters. It was recommended by legal counsel to get the voters' approval. Charles Wade moved to authorize the directors to allow use of the facilities and equipment as written in Article X. Mae Belle questioned what the alternative would be if defeated. The facilities would be used for nothing but school activities. Kay Neil asked that the directors handle this authority with discretion. Henry Burnham stated the policy the board uses will be made public. Mae Belle Byrne seconded the motion. Carried by voice vote.

ARTICLE XI

William Weeks questioned insurance regarding Article X. The board investigates insurance liability for "other groups" using the facilities. Would pass on extra costs to such group.

Gerald Cook questioned Article VII as to allowing the directors to make investments with this money. H. Burnham explained the state statutes govern borrowing and investing limits and reasons.

ARTICLE XII

Mae Belle Byrne moved to adjourn. Seconded and carried by voice vote.

Respectfully submitted,
Elizabeth L. Wehse, Clerk
